RE-PETITION FOR ENTITLEMENT TO FILING DATE

Hon. Commissioner of Patents
And Trademarks
Office of Petitions
Washington, D.C. 20231

September 17, 2001

Sir:

Previously, applicant filed a "petition for entitlement to filing date" on August 13, 2001. Applicant notes that the copy of the return receipt postcard transmitted was for a different application. The correct copy of the return receipt postcard for this application is enclosed herewith.

This Petition is in response to your "Notification of Missing Requirements" dated June 12, 2001. Applicant now submits herewith:

Copies of Drawings as originally filed with application and stamped returned receipt postcard.

Applicant asserts that the drawings were submitted along with the initial application. Applicant's receipt postcard, stamped by the USPTO, indicates that drawings were received by the Patent Office (copy attached). Apparently the drawings have been lost by the USPTO. Applicant respectfully resubmits drawings as requested by the Notice of Missing Requirements, and requests that the original filing date of 4/16/2001 be assigned to this application.

A check for the 37 C.F.R. 1.17(h) Petition fee of \$130 was enclosed with the original petition, therefore, no further fee is believed to be due. Applicant respectfully requests that the Petition fee be refunded. The Commissioner is hereby authorized to charge any underpayment or to credit any overpayment to Deposit Account, Number 04-2219, referencing our Docket number 12288.

Respectfully submitted,

Andrew D. Babcock
